

The Communication Skills Department has instituted the following policy for CSE 099.

Students need to be in “good academic standing” in CSE 099 courses in order to retake the ACT exam at the end of the semester.

Students in CSE 099 courses who are NOT in good academic standing will not be permitted to retake the ACT exam.

Students in CSE 099 who are in good academic standing and who take and pass the ACT exam will receive a grade of D in the event they fail the class.
