

# TUTORING TIPS SHEET

## THE WRITING CENTER

Make an Appointment

Writing Center tutors can help you get started on a research paper, teach you how to proofread, or explain and correct your graded essays.

## THE MODERN LANGUAGE LAB & TUTORING CENTER

Tutoring Schedule

The Language Lab offers one-on-one and small group tutoring in each of the language classes offered at LaGuardia.

Also, if you already speak a language other than English, you can take a placement exam there.

## SGA STUDY HALL

Email Flora Flores at [flflores@lagcc.cuny.edu](mailto:flflores@lagcc.cuny.edu) with requests for tutoring via email, phone or video chat.

Get help with English, accounting, math, reading and science courses through one-on-one tutoring, group tutoring sessions and study skill workshops.

## API TUTORING HALL

Contact [API@lagcc.cuny.edu](mailto:API@lagcc.cuny.edu) about online tutoring for: "BTA 111 & 112, MAC 101, MAT 115, 120 & 201, SCB 203, SCC 101, 110 & 201, and SCR 210.

Learn from peer tutors who have successfully completed the courses you seek help in, re-attend the class and organize weekly group study sessions.

## LIBRARY

Learn about Remote Services

The Computing Center offers PC and MAC workstations. Group study rooms are also available to you for studying in groups with classmates.

## TUTORING LABS

Many academic departments have Tutoring Labs. Professors keep weekly office hours and can direct you to courses specific tutoring services or study groups.
