Spring 2021 Session II

Dear Senior Citizen/Non-Degree Applicant:

Thank you for your interest in attending LaGuardia Community College. The Senior Citizen/Non-Degree application for admission for Spring 2021 Session II must be completed and submitted via **email to admissions@lagcc.cuny.edu by April 26, 2021 for priority processing.**

New York State residents 60 years of age or older may audit undergraduate courses at LaGuardia Community College on a tuition-free, space-available basis. Auditors do not receive grades or academic credit for their courses. There is a **\$65.00** General Fee that will be charged at the time of registration each semester/session. Senior Citizens are also responsible for the **\$15.00** Consolidated Services Fee. Along with verification of age and New York State residency, applicants must file the undergraduate non-degree application to be considered for this program. Individuals over the age of 60, who do not wish to audit their courses, may receive academic credit provided the appropriate tuition is paid.

Spring 2021 Session II classes are scheduled to begin on **June 20, 2021**. Space is limited in many of our classes, since degree students register first. Consequently, our Visiting/ Non-degree population are allowed to register one week before the start of classes on a space available basis.

Once the review of your application has been completed, information in regard to the registration process along with a registration appointment will be sent to your email address.

We again thank you for your interest in LaGuardia Community College.

Sincerely yours,
