Unrestricted Elective Note

The Business Administration major has an Unrestricted Elective of 2 credits. Students who wish to transfer to Baruch's Zicklin School of Business are advised to take MAT115 Algebra & Trigonometry to fulfill this requirement so they are able to register for MAT200 Precalculus, which is also a Zicklin requirement.

Students who are not planning on transferring to Baruch and are not interested in taking MAT200 Precalculus are advised to take BTM205 Principles of Finance to satisfy the Unrestricted Elective credits, but can take any other 2-credit or greater course at the College to satisfy the elective credits.

Pathways Requirements & Transfer

PATHWAYS REQUIRED CORE (RC) Pathways is CUNY's general education framework. For Required Core, students must take 2 English courses, 1 Mathematics and Quantitative Reasoning course, and 1 Life and Physical Sciences course. For more details, including a list of Life and Physical Sciences courses, visit the [Pathways Required Core website](#).

MATHEMATICS AND QUANTITATIVE REASONING Business Administration students should take MAT120/119 Statistics because it is needed for those wishing to transfer to Baruch's Zicklin School. MAT115/117 Algebra & Trigonometry is recommended for the Unrestricted Elective requirement. Speak to an advisor if you have questions about which math course may be right for you.

PATHWAYS FLEXIBLE CORE (FC) allows students to choose courses based on interests, transfer or career plans, or for general exploration. Associate of Science students must take one course from each category listed below, plus an additional course from any category. View DegreeWorks or the [Pathways website](#) to see a full range of options, or talk with the program director or an advisor. The recommendations below are based on requirements for Baruch's Zicklin School; however, these recommendations apply broadly for those wishing to pursue Business at other colleges.

- Creative Expression: **HUC106 Public Speaking**
- Individual & Society: **SSE103 Introduction to Microeconomics**
- Scientific World: **MAT200 Precalculus**
- U.S. Experience in its Diversity: No recommendation
- World Cultures and Global Issues: No recommendation
- Additional (Individual & Society): **SSE104 Introduction to Macroeconomics**

TRANSFER AGREEMENTS The Business Administration program has an agreement with the following 4-year college. By graduating from LaGuardia and meeting certain requirements, you will be able to complete your studies at a 4-year college and earn a bachelor's degree. For more information, visit our [Transfer Agreement \(Articulation\) web page](#).

1. St. John's University – BS in Business Administration, Enterprise Regulation or Sports Management

Note: although there is not a transfer agreement with Baruch College, many students pursue transfer to Baruch's Zicklin School of Business
