

## Purchasing Housekeeping Memorandum

\*\*\*\*\*  
NOTA BENE: Commitments made by an unauthorized individual are subject to non-payment by the University and **personal payment by the unauthorized individual**. If you have not been specifically granted authority to commit the College or the University, then you are not authorized to make commitments on behalf of the College/University. In other words, unless there is a memo on file with the University that specifically grants you authority to sign, you may not sign any agreement, sales acknowledgment, license, or any other document.  
\*\*\*\*\*

### Purchase Requisitions MUST:

- have a valid vendor
  - have proper attachments
  - have “**Amount Only**” checked if they are blankets
  - have a clear and concise description of what you are requesting.
- 
- All requisitions must be approved by your supervisor/approver and have a valid budget check status for Purchasing to process.
  - Make sure to budget check all canceled and denied requisitions to ensure that all funds are released back into your appropriate budget and expense accounts.
  - If you encounter a budget error, please contact the Budget Office at x5388 for further assistance.
  - Remember to check “Manage Requisitions” periodically to get the status of your fully approved and budget checked requisitions.
- NOTE: REQUISITIONS WITH THE STATUS OF “BUDGET ERROR”, “OPEN”, OR “PENDING” CANNOT BE CONVERTED INTO A PURCHASE ORDER.**
- If you have not received an item that you requested, first check your “Manage Requisitions” to see the status. Then, follow up with Purchasing in a timely manner if you have concerns about an order that has not been received.
  - Make sure to check and receipt all delivered orders immediately to avoid delays in vendors being paid. If your order is incorrect or duplicated, contact Purchasing immediately!
  - Refer to the attached updated CUNYfirst Tip Code Sheet. This will help you during the requisitioning process. Save this sheet to your desktop for easy access.

**IMPORTANT!** If you have to add, change, or remove your procurement user’s profile in CUNYfirst, you **MUST** complete the CUNYfirst Procurement User Access Request Form. See link below:

<http://www.cuny.edu/about/administration/offices/CIS/security/cunyfirst/procurement-security-access-form.pdf>
