Subject: Get Ready for the Fall Semester

Dear Students,

The Fall 2021 semester begins on Thursday, September 9. Please ensure you are ready for the new semester:

If you are registered for in-person or hybrid classes, you must be vaccinated. You will not be able to attend in-person or hybrid classes without being vaccinated and completing the verification process.

- Vaccinated students must complete [vaccine verification](#) by September 27, 2021.
- If you are not vaccinated, you will not be able to take in-person or hybrid classes. This could impact your financial aid and progress toward your degree.
 - If you do not want to be vaccinated and will not complete vaccine verification by September 27, 2021, reach out to an [advisor](#) immediately to adjust your schedule. Speak to an advisor before classes begin on September 9.

Masks are Required On-Campus.

- Wear a [face mask](#) inside all CUNY campuses and office buildings. This includes while taking classes, working in a non-enclosed space such as a cubicle or other open seating, regardless of physical distance from others.
- [Review the policy.](#)

Check your LaGuardia email regularly for updates from faculty for each of your courses. Find out how to access your LaGuardia email [here](#) or [Request Help](#).

- In-person and Hybrid courses *may* meet online initially; your faculty will provide you with details.
- Online course faculty will provide details about your class and necessary links.

Get Technology Resources and Assistance

- Chromebooks and iPads are available for students. Please contact the Student Information Center at LaGuardiaNews@lagcc.cuny.edu for assistance or to request a device. (Be sure to tell them your EMPLID.)

Find technology support at <https://www.laguardia.edu/student-resources>, and find answers to common questions on [Ask LaGuardia](#).
