**Subject: Masks Required on Campus**

Dear Students,

**Everyone, regardless of vaccination status, must wear a face mask inside all CUNY campuses, school buildings and office buildings.**

For the time being, everyone, regardless of vaccination status, must:

- Wear a face mask inside all CUNY campuses and office buildings. This includes while taking classes, working in a non-enclosed space such as a cubicle or other open seating, regardless of physical distance from others.
- Wear a mask outdoors on campus when unable to maintain physical distance from others.

The only exceptions to wearing a mask inside are:

- If a fully vaccinated person is alone in an enclosed space such as an office, conference room, or dorm room.
- In a classroom, if a professor is teaching a class and is able to keep social distance from everyone else in the class, he or she may choose not to wear a mask.
- Briefly while eating or drinking.

To be clear, anyone who is not fully vaccinated must wear a mask indoors and outdoors at all times while on campus, including in enclosed spaces, except briefly when eating or drinking (in which case they must maintain strict social distancing from other individuals). Students who are not vaccinated are required to maintain social distancing between themselves and all others in a classroom.

Persons not wearing a mask will be reminded to do so. Students that do not comply with the mask requirement will be referred to Public Safety and risk being removed from campus. Students may be subject to disciplinary action pursuant to article 129a of the education law ("Henderson Rules").

Masks will be provided to any student, if needed, by Public Safety at all entrances.

For more information please review [CUNY's mask mandate](#).

Thank you for your commitment to keeping our community healthy and safe.
