

Subject: UPDATED Fall 2020 LaGuardia Flexible Grading Policy

Dear Students,

Please see below update regarding LaGuardia's Flexible Grading Policy for Fall 2020; A, A- grades are not eligible for this policy.

LaGuardia has instituted the following policy for Fall Session I and II:

- Most courses will be eligible for a Credit/ No Credit option.
 - All clinical phase *courses in Nursing, OTA, PTA, Rad Tech and Vet Tech (course prefixes: SCR, SCL, SCT, SCO, SCX, SCV)* are excluded.
- Students will be able to select this option after the grades have been posted. A timeline will be posted soon.
- **UPDATED** Only passing letter grades B+, B, B-, C+, C, C-, D+, D or D- can convert to 'CR' with credit for the class being awarded (for credit bearing courses), while a failing grade (F) can convert to 'NC', with no credit awarded.

It is important to understand that under certain circumstances, there is a difference between a passing grade for the purposes of CUNY, and an acceptable grade in the eyes of institutions outside of CUNY, specialized programs such as Nursing, and standards for professional licensure.

Students should consult with their advisors before electing the Credit/No Credit option. Additional information will be shared in the coming weeks. Please do not hesitate to contact your advisor on My LaGuardia with related questions.

Again, we realize this is late notice for such an important policy change, but believe the CR/NC choice should be extended to LaGuardia students for this semester.

Sincerely,

Dr. Nireata Seals
Vice President of Student Affairs & Associate Provost
