

DARE TO DO MORE

Dear LaGuardia faculty and staff –

Thank you to everyone that attended or tuned in to yesterday's Closing Sessions. If you missed the event, which features a panel discussion, two videos, and a terrific student performance, a recording of it is available [here](#). Please also take a moment to [register](#) for our Town Hall about Fundraising & Grants, coming up on Friday, December 17 at 10 a.m. on Zoom. Faculty and staff interested in pursuing grant funding are encouraged to attend.

Random Covid Testing Questions: Over the past few weeks, since random testing for vaccinated employees began, a few questions have come up. If you have questions, please contact:

- [Theresa Litvay-Sardou](#), Campus Coronavirus Liaison
- [Shahir Erfan](#), Campus Coronavirus Coordinator

Student Vaccination Verification Deadline for Fall II: As a reminder, students must be fully vaccinated before coming to campus. For students coming to campus in Fall II that have not yet completed vaccine verification, the deadline to do so is this Saturday, December 11. (Students that still need to be vaccinated can obtain the Johnson & Johnson vaccine on or before Friday, December 10, to comply.)

Above and Beyond Recognition: A big shout-out to LaGuardia alumni Carlos Freire and Julian Mejia for producing yesterday's Closing Sessions event. Carlos and Julian, along with Steven Hitt, Carmen Griffin, and all of the LaGuardia Performing Arts Center staff, have been making hybrid events a reality, allowing our faculty and staff to come together safely. Bravo!

Best wishes,

Kenneth Adams
President
